

Watoto Church Vision (Recite the vision together):

We are an English speaking cell-based community church celebrating Christ, growing and multiplying as each one reaches one, touching those around us with the love of Jesus, bringing healing to the cities and to the nations.

Worship:

Take some time to worship God in song.

Introduction:

Just as blood is to the body, communication is to relationship ~ **Ps Daniel Ogwal**

Ice breaker:

If you could eliminate one thing from your daily routine, what would it be and why?

Read:

Ephesians 4:29, Proverbs 18:2,13, James 1:19-20
(Ask the cell members to share what stood out)

1. What do the above scriptures teach you about the nature of communication God expects of us in our families?
2. Share some aspects of communication in your family that you appreciate or find challenging. How have these affected your relationships with family members?
3. How can you as an individual practice better and healthier communication with your family members and friends?

Prayer:

Spend time to pray for each other's needs as well as pray that God will continue to grow you in the area of communication regarding being quick to listen, slow to speak and slow to anger. Also pray that God will mend any broken relationships through restoring healthy communication.

History Makers Challenge:

Take some time this week to assess your family and friendships, write down all the areas in which communication is lacking. Pray that God will intervene as well as consider what you can do to better the communication.

Crane campaign:

As Watoto Church, each time we meet, we give a crane (500 shillings coin / 50 South Sudan pounds) to support our build God's house campaign. You can drop the crane collection in the gift box in your campus or use mobile money;
